PRICE FIVE CENTS

## The Teacher

Who advised her pupils to strengthen their minds by the use of Ayer's Sarsaparilla, appreciated the truth that bodily health is essential to mental vigor. For persons of delicate and feeble constitution, whether young or old, this medicine is remarkably beneficial. Be sure you get Ayer's Sarsaparilla.

"Every spring and fall I take a number of bottles of Ayer's Sarsaparilla, and am greatly benefited."—Mrs. James H. Eastman, Stoneham, Mass.

"I have taken Ayer's Sarsaparilla with great benefit to my general health."—Miss Thirza L. Crerar, Palmyra, Md.

"My daughter, twelve years of age, has suffered for the past year from

### General Debility.

A few weeks since, we began to give her Ayer's Sarsaparilla. Her health has greatly improved."—Mrs. Harriet H. Battles, South Chelmsford, Mass.

"About a year ago I began using Ayer's Sarsaparilla as a remedy for debility and neuralgia resulting from malarial exposure in the army. I was in a very bad condition, but six bottles of the Sarsaparilla, with occasional doses of Ayer's Pills, have greatly improved my health. I am now able to work, and feel that I cannot say too much for your excellent remedies."—F. A. Pinkham, South Scituate, Me.

"My daughter, sixteen years old, is using Ayer's Sarsaparilla with good effect."—Rev. S. J. Graham, United Brethren Church, Buckhannon, W. Va.

"I suffered from

### Nervous Prostration,

with lame back and headache, and have been much benefited by the use of Ayer's Sarsaparilla. I am now 80 years of age, and am satisfied that my present health and prolonged life are due to the use of Ayer's Sarsaparilla."—Lucy Moffitt, Killingly, Conn.

Mrs. Ann H. Farnsworth, a lady 79 years old, No. Woodstock, Vt., writes:

"After several weeks' suffering from nervous prostration, I procured a bottle of Ayer's Sarsaparilla, and before I had taken half of it my usual health returned."

### A Great Law Suit

The law suit in Iowa over five calves valued at \$45, rivals the famous case of Jarndyce & Jarndyce, and throws in the shade our Oregon case of Dowell vs. Griswold, and the celebrated California case of Sarah Althea Hill-Sharon-Terry vs. Wm. Sharon and his estate. From eastern exchanges we learn that this celebrated case was commenced in Jones county, Iowa, in 1874, by a man named Potter, against a man named Johnson, to settle the ownership of five calves, valued at \$45. It has cost, up to the present time, \$30,000; has impoverished several well-to-do farmers, and has even depreciated the value of the property where the parties live. It has raged with increasing fury in Jones and in the surrounding counties for fifteen years. The Atlanta, Ga., Journal, whose editor recently wrote up the case from statements made by Col. Chas. E. Wheeler, who has been plaintiff's leading lawyer from the start, says: "It has been before the supreme court of Iowa four times, and has been tried eleven times in five different counties of that state. There are more than 100 witnesses and their expenses, from charges of venue to different counties, have been enormous. Witnesses who at first were children now come to court with grown children of their own." Col. Wheeler is reported as saying: "I took it when a young man, but it has long since become a labor of love; as I look into the glass I see my hair is turning gray." Many of the leading lawyers and statesmen of Iowa, Illinois and other states have wrestled with this case from the time they were young until they are growing old. It appears to be no nearer the end now than it was fifteen years ago. From this we might infer that it is like the earth, according to Marshal Wheeler's theory, a permanent part of the universe, and will go on forever; but for the fact that it had a beginning, and, therefore, according to Mr. Wheeler, must have an ending. It is not every community that can run a \$45 lawsuit fifteen years at an expense of \$30,000, with a prospect of keeping it up until "the memory of man runneth not to the contrary."

## A KNIFE THAT CUTS !!

A sale that will prove a Cyclone to competitors. An array of Bargains that will tickle the purchasing public. I have advices that my unusually large stock of Fall and Winter Goods is in transit and will be here soon; which fact forces me to make room by sacrificing the stock on hand without reserve.

### SLASHING SLAUGHTER OF Men's Suits !!

My stock of Suits comprises Tweeds, Cassimeres, Wide Wales, Cheviots and Worsteds of the prettiest designs, made up in the most artistic manner. Adjectives piled up in gold type would fail to give you an idea of the elegance and intrinsic worth of the multitude of Fashionable Suits marked for slaughter.

### Furnishing Goods!

Choice lines of fine Negligee Shirts; Woolen Underwear, Cotton Lisle Thread, Silk and Woolen Hose, Suspenders, Handkerchiefs, etc. All these must share the fate of the rest, and go at A SACRIFICE.

### Single Pants.

Without a doubt the largest line of Pants in the City; nothing will save them from the knife; they are doomed at fabulous LOW PRICES.

This Offer Holds Good to Cash Buyers  
**For 30 Days Only.**

Everything Marked in Plain Figures!

Goods Will be Sold at  
**Net Cost FOR Cash Only.**

### MERCILESS MASSACRE OF Boys' Suits !!

Counters are groaning beneath the heaps of Fashionable Boys' Clothing. Room is needed, and to the delight of Astoria mothers, I will give them a chance to dress their darlings stylishly and cheap.

### Hats and Caps.

This line has always been my strong point, but in the general avalanche of crumbling prices, they too will go.

### BOOTS AND SHOES.

The knife will not spare this department, it will cut to the bone, and as in every other department it will have a tendency to cut prices with remarkable effect.

**First Come! First Pick! Embrace This Opportunity! Nothing will Escape the Knife!**

Conscious of the impositions practiced upon an unsuspecting public by unreliable dealers, I *Emphatically Guarantee this to be the first genuine sacrifice sale in Astoria.* I have 15,000 Dollars' worth of goods on the way now, and it is to my interest to slaughter everything on hand in order to make room, and all wide awake business men acknowledge my plan as the most successful. Once more reminding the public that this sale holds good **FOR 30 DAYS ONLY**, and to cash buyers. Reliably yours,

## Timber Land. 5000 Acres

Of finest Timber Land in Clatsop County, for sale by

KEEN & COOK.

Real Estate Agents, Astoria, Oregon.

In the city of New York, with its enormous population, there are but 20,000 houses built for one family, while in Philadelphia there are 31,000 of that class, which accounts for its being called the "city of homes."

### HAPPINESS AND CONTENTMENT

Cannot go hand in hand if we look on the dark side of every little obstacle. Nothing will so darken life and make it a burden as Dyspepsia. Ayer's Dyspepsia Tablets will cure the worst form of Dyspepsia, Constipation and Indigestion, and make life a happiness and pleasure. Sold at 25 and 50 cents by J. W. Conn, Druggist.

Work has begun at Port Townsend on the railroad from that place to Portland to be built by the Union Pacific.

Not a particle of quinine nor any mineral substance is contained in Ayer's Ague Cure—yet it is a warranted specific for malaria.

The money which the country has appropriated for the support of its boys in blue since 1861 reaches the very respectable sum of \$1,000,000. The people have never been niggardly as to the pension list.

### Very Risky Indeed.

To tamper with the symptoms indicative of growing kidney disorder, to neglect for a brief time needful stimulation of the renal organs when their inactivity points, as it always and unmistakably does, to their eventual permanent disease, is certainly very risky indeed. This is, however, a risk that many persons perceptibly drifting into Bright's disease, diabetes, catarrh of the bladder, &c., constantly incur. So those who read, reflect and heed the lessons of recorded experience, the advisability of using Hostetter's Stomach Bitters as a diuretic, need scarcely be a suggestion. No fact is more generally admitted by the medical profession and the public than its efficacy for the prevention of serious renal disease. The unmedicated excitement of commerce, no matter how pure, bear in mind, react prejudicially upon the kidneys when inactive. The Bitters subdues malaria, constipation and rheumatism.

Don't talk about what you are "going" to do, then, if you fail to accomplish it, nobody will know.

### Two Points of View.

Speaking of ministers' salaries Henry Fairbrother. Meeting a minister in Pawtucket one day, with whom he was well acquainted, the divine told him he had received a call to another parish and should accept.

"A call!" said Henry. "Yes, I have been laboring in the vineyard of the Lord here in Pawtucket for a number of years for a salary of \$1,000 per annum and have received a very flattering offer. To go to Brooklyn with a salary of \$3,000."

"And that is what you mean by a call?"

"Yes."

"Well, up at the club we should call that a raise."—Providence Telegram.

### Children Cry for Pitcher's Castoria

When Baby was sick, we gave her Castoria.

When she was a Child, she cried for Castoria.

When she became Miss, she clung to Castoria.

When she had Children, she gave them Castoria.

With the appropriation granted by the state Coos county is building a good, practicable wagon road to the interior.

Simmons Liver Regulator produces no unpleasant effect upon the stomach no matter how long it is taken. A little taken at night insures refreshing sleep and a natural evacuation of the bowels. A little taken in the morning sharpens the appetite, cleanses the stomach and sweetens the breath.

"I never recommend a medicine unless I know it to be good. In a ministry of twenty-five years I have often felt the need of such a medicine, and when I found it I exclaimed: 'Eureka!'"—Rev. J. P. HANFORD, Proprietor, "Christian Visitor," Smithfield, N. C.
